

BEACH BALL

BROUGHT TO YOU BY *rise***VB**

2022 SPONSORSHIP OPPORTUNITIES

March 19, 2022 · The Cavalier Beach Club · To Benefit the Virginia Beach Volunteer Rescue Squad · Attendance: 300+

Our 6th Annual Beach Ball will be held at The Cavalier's Beach Club - a premier event venue on the Virginia Beach oceanfront - and tickets are expected to sell out quicker than ever!!!

The Story

When a place gives you so much, it's your responsibility to give back to it. This sentiment was the impetus behind the birth of *rise*VB, a local 501c (3) organization created to unite Young Professionals with ties to the Tidewater region to channel their talent, passion, & expertise to make our community a better place.

In pursuit of our mission, we select a local partner charity to support each year. Through different fundraising efforts and our flagship, black tie event, Beach Ball, we have raised over \$210k in 5 years for local charities including The Children's Hospital of the King's Daughters, Samaritan House, We Are VB, EQUI-KIDS/EQUI-VETS, & Cancer Care Foundation of Tidewater.

In 2020, however, the COVID-19 pandemic hit & *rise*VB had to get creative in how to support its 6th beneficiary, the Virginia Beach Volunteer Rescue Squad (VBVRS), without hosting large in-person events. And after a year of virtual fundraising efforts, we announced partnering with VBVRS for an additional year so that we would have the opportunity to bring our community together to celebrate the heroic work VBVRS does everyday.

This Year's Beneficiary

Since our last Beach Ball in February 2020, *rise*VB has supported VBVRS. Virginia Beach has the largest volunteer-based EMS system in the country. These volunteers are on the front line of our community - saving lives, delivering quality emergency medical services and providing community safety education. In 2020 alone, VBVRS responded to over 15,000 calls; that's nearly 1/3 of all calls in the city. Their work saves Virginia Beach taxpayers over \$24 million a year.

Delivering these amazing services to our community requires ambulances & safety equipment, which are expensive. A new ambulance, for example, costs upwards of \$300,000. That's why your donations are so incredibly important. They power the rescue squad's life-saving work.
